**Simple Resolution No. 9.**

By Senator Price:

Whereas, There will be introduced at the Special Session of the Legislature approximately five hundred fifty local bills designed to validate the bond issues of various road districts in Texas; and

Whereas, The language of Sections 4, 5, 6, 7, 8 and 9 of all these bills are identical, which sections in the bill comprise two typewritten pages; and

Whereas, The task of enrolling and engrossing these bills is unusual and by the ordinary method of copying by typewriter will entail a great deal of labor and time; and

Whereas, The printing or multigraphing of said Sections 4, 5, 6, 7, 8 and 9 will constitute a saving of time and expense and at the same time will insure greater accuracy in the language of said bills; now therefore

Be it resolved by the Senate of Texas:

That Sections 4, 5, 6, 7, 8 and 9 of the standard local bond validating bills be printed or multigraphed in type similar in appearance to that of typewriter in sufficient quantities to complete five copies of each bill;

That The Enrolling and Engrossing Clerk of the Senate be instructed to supervise the printing or multigraphing of such sections in conformity with the provisions of this resolution;

That Such printed sheets be used by the clerks to complete the engrossed and enrolled bills; and be it further

Resolved, That the cost of such printing or multigraphing be paid out of the Contingent Fund of the Senate.

Sir: We, your Committee on Civil Jurisprudence, to whom was referred

S. B. No. 3, A bill to be entitled "An Act ratifying, confirming, approving and validating certain orders and notices of the commissioners' court of Harris County, Texas, relating to the issuance of the bonds of Harris County in the total sum of six million dollars, for the purpose of the purchase of district roads and the further construction, maintenance and operation of macadamized, graveled or paved roads or turnpikes, or in aid thereof, and to the levy of a tax upon all of the taxable property in said county, for the purpose of paying the interest on said bonds and providing a sinking fund for the redemption thereof at maturity; ratifying, confirming, approving and validating, the election at which such bonds were voted, the notices of said election, the time of the publication and posting of such notices, and the form of ballot used thereat; ratifying, confirming, approving and validating the amount of bonds fixed in the order of the commissioners' court calling said election, and finding the same to be proper and necessary for the purposes set forth in said order calling said election, authorizing Harris County to issue and sell said bonds and use the proceeds thereof for the purposes set forth in said order of said commissioners' court calling said election; declaring said bonds as and when issued and sold to be the legal, valid and binding obligations of Harris County; authorizing Harris County to levy upon all taxable property in said county and collect sufficient taxes to pay the interest on said bonds and provide a sinking fund for the payment of said bonds at maturity; directing the Attorney General to approve and certify said bonds as the valid and binding obligations of Harris County issued in conformity with the Constitution and laws; and declaring an emergency."

Beg leave to report as follows:

Your Committee finds, after fully investigated the facts, that on the 16th day of March, 1926, an election was held in the County of Harris, pursuant to the provisions of Section 52 of Article III of the

Constitution of this State and of the several Acts of the Legislature of this State in aid thereof, at which more than a two-thirds majority of the resident property tax payers, being qualified electors of said county, voting thereon, voted in favor of the issuance by said county of its bonds in the sum of six million dollars (\$6,000,000.00), for the purpose of the purchase of district roads and the further construction and maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, and in favor of the levy of a tax upon all property in said county subject to taxation for the purpose of paying the interest on said bonds, and providing a sinking fund for the redemption thereof at maturity; that in and by the order of the commissioners' court of Harris County, calling said election, the amount of bonds proposed to be issued was fixed and stated, and there were therein set forth the purposes for which the proceeds of said bonds were to be used, together with a statement in detail of the particular roads proposed to be purchased, constructed, improved, maintained and operated with such proceeds, and the several sums proposed to be expended in that behalf; that all legal prerequisites to the issuance of said bonds so voted have been in all respects fully complied with; that the purchase, construction, improvement, maintenance and operation of the roads designated and referred to in said order of said court will be of great benefit to all of the taxable property in Harris County; that the amount of bonds fixed in the order of the commissioners' court of Harris County calling said election as being proposed to be issued by Harris County for the purposes set forth in said order was and is proper and necessary for said purposes; and that notice of intention to apply for the passage of said law has heretofore been published in conformity with the provisions of the Constitution and laws of this State, and evidence of such notice having been published has been exhibited in the Legislature.

Your Committee therefore recommends that said bill do pass, and that it be not printed.

BAILEY, Chairman.

Committee Room,

Hon. Barry Miller, President of the Senate.

Sir: We, your Committee on Civil Jurisprudence, to whom was referred S. B. No. 6, A bill to be entitled "An Act to create Road District No. 1, in Harris County, Texas, validating and approving all orders made by the commissioners' court of said county, in respect to the organization of said district; validating the authorization, issuance, and sale of certain road bonds thereof, and providing for their payment by the annual levy, assessment and collection of general ad valorem taxes on all taxable property in said road district; approving and validating all orders of the commissioners' court of said county in respect of said road district, bonds and taxes, or certified copies thereof, and constituting such orders legal evidence; evidencing proof of publication of constitutional notice required in such acts; and declaring an emergency."

Having had the same under consideration, beg leave to report as follows:

Your Committee finds, after having fully investigated the facts, that on the 28th day of May, 1913, an election was held in Road District No. 1, in Harris County, Texas, pursuant to the provisions of Section 52 of Article III of the Constitution of this State and of the several Acts of the Legislature of this State in aid thereof, at which more than a two-thirds majority of the resident property tax-payers, being qualified electors of said District, voting thereon, voted in favor of the issuance by said District of its bonds in the sum of fifteen thousand dollars (\$15,000.00) for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof, and in favor of the levy of a tax upon all property in said District subject to taxation for the purpose of paying the interest on said bonds, and providing a sinking fund for the redemption thereof at maturity; that in the order of the commissioners' court of said county calling said election, the boundaries of said Road District No. 1 were specifically set forth and the amount of bonds proposed to be issued was fixed and stated; that all legal prerequisites

to the issuance of said bonds were in all respects fully complied with; that said bonds have heretofore been issued and sold and the proceeds thereof were used in the construction of a shell road across said District, which is a small and narrow district, to a connection with the principal highway of Harris County, thereby affording the lands in said District easy access to such principal highways; that the construction of said road was of great benefit to all of the taxable property in said District; that the amount of bonds fixed in the order of said commissioners' court of Harris County, calling said election as being proposed to be issued, was proper and necessary for the purposes for which the proceeds of said bonds were intended to be, and were in fact, used; and that notice of intention to apply for the passage of said law has heretofore been published in conformity with the provisions of the Constitution and laws of this State and evidence of such notice having been published, has been exhibited in the Legislature.
